About us

Bethesda Christian Centre (BCC) is a church born of a church-planting vision to be a new witness for Jesus Christ in the north-eastern part of Singapore. Since our inception in 1987, BCC has worshipped at different venues in the North, before settling at Woodlands 11.

Our Vision and Mission

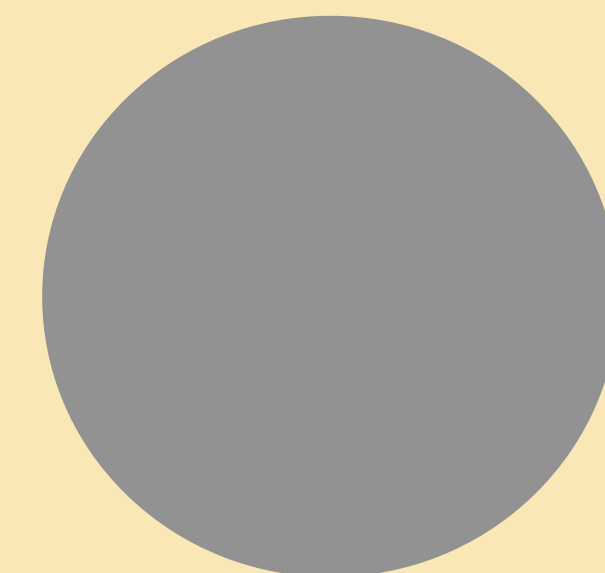

Our Vision is to be a tree planted by streams of water (Psalm 1:3), always seeking to:

Grow Deep
(in Christ)

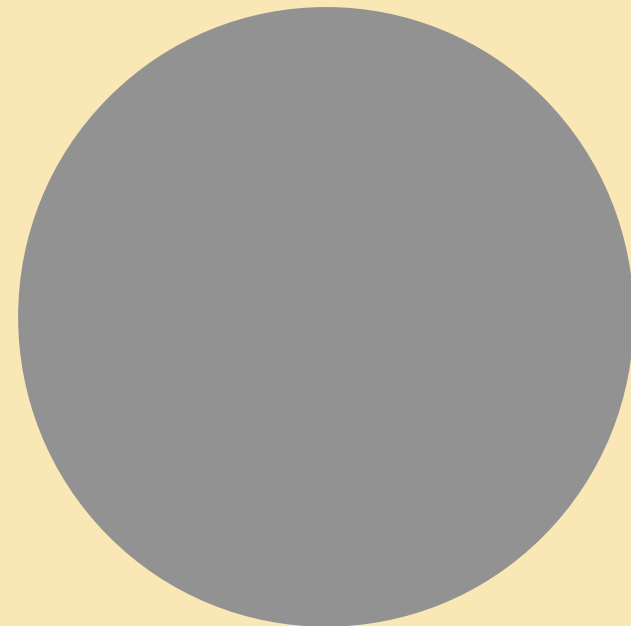

Stand firm
(In the truth of God's word)

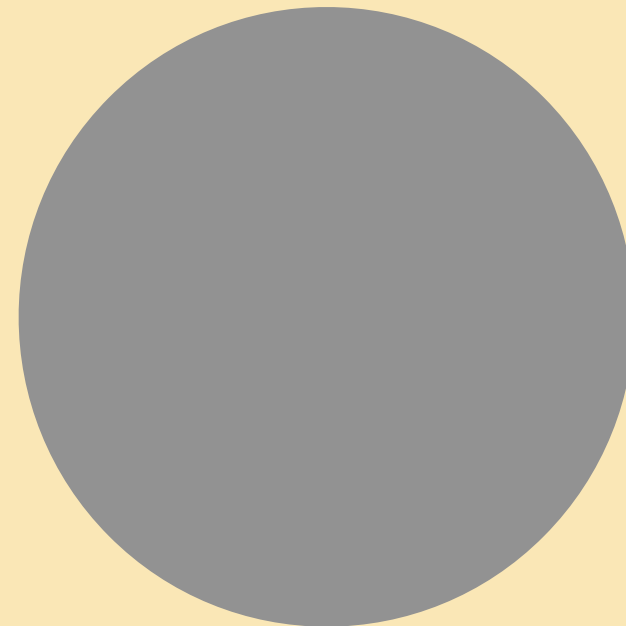

Spread Wide
(to grow as a community of believers and to be a witness in the North of Singapore and beyond)

What We Believe

At Bethesda Christian Centre, we believe that the most important person in the world is Jesus. Hence, we are all about knowing Jesus and making Him known.

Our big gatherings

As Christians, we gather every Sunday to worship God as a church and to encourage each other with God's word.

A typical service on Sunday at BCC would last about 1 hour and would include singing songs of praise, remembering the death of Jesus in the Lord's Supper and hearing God's word read and explained.

After the service, we usually hang around for a time of refreshment and conversations around God's word.

If you're new, we look forward to welcoming you into our community!

Our small gatherings

At BCC, we believe that we grow as Christians as we hear the word clearly and faithfully taught. Hence, besides our big gatherings, we have smaller gatherings or Care groups where we're organised into our various age groups so that we can learn and apply God's Word to our particular life situation and context.

Here are the meeting details of our various age-group ministries.

READ/LEARN@W11

READ@W11 is a literacy programme that supports children aged 4 to 9 years old, who are facing literacy challenges. The programme offers a phonics-based curriculum, building their confidence and skill in reading the alphabet and simple words. Our teachers engage our students through games, storytelling sessions, songs and craft.

LEARN@W11 is a tuition and supervised learning programme for children aged 10 to 12 years old. LEARN@W11 offers academic support to primary school students in the mathematics and science subjects.

When we meet

10am-12pm, Saturdays, Woodlands 11
